11:00-16:30 Sightseeing tour & visit to a construction site (*Astir Marina Redevelopment*)

The construction site visit is sponsored by

Astir Marina Redevelopment is a €50 million, two year duration project containing the construction of a new marina for the berthing of 59 super and mega yachts. The landzone area of the marina expanding 4,800 sq.m. will host a shopping area, restaurants/ cafes and the hellenic coast guard offices. An underground car park for 300 cars is also envisaged as well as extensive landscaping works. The project is expected to be concluded by May 2023.
